GENERAL

1.1. Scope of work:

- 1.1.1 This specification covers the manufacture/supply, testing and delivery FADS (Free at Destination Stores) of the material as detailed in the schedule attached to the specification.

1.2. Filling up of schedules:

- 1.2.1. All the schedules should be duly filled in but not necessarily in the form Sheets attached to the specification: Unless full details required in the Schedules are furnished, tender offers will not be considered.
- 1.2.2 Responsibility for correctness of the information submitted in sealed bid lies with bidder. *If any information furnished in the bid is proved to be false at a later date, the bid will not only be rejected but the bidder will be BLACKLISTED.*

1.3. Clearing of doubts:

- 1.3.1. If the tenderer has any doubt about the meaning of any portion of this specification, he should at once obtain the required clarification/information in writing from the Chief Engineer/Metro-Zone/TGTRANSCO/Hyderabad before 15 days from the date of tender opening after which no correspondence will be entertained.

1.4. Earnest money deposit:

- 1.4.1. Each tender must pay an E.M.D for an amount of **Rs. 17,000/- (Rupees Seventeen Thousand Only)** This amount should be paid by way of Crossed Demand Draft drawn from any Nationalised Bank/Scheduled Bank in favor of the Superintending Engineer/OMC/Metro-Central/Hyderabad payable at Hyderabad. The crossed D.D. shall be compulsorily be enclosed to the tender failure to enclose this DD will lead to rejection of tender automatically and no request will be considered in the above matter.
- 1.4.2. **Submission of E.M.D. in any other form other than DD** i.e., by way of cheques, cash, money order, call deposit or Bank guarantee will not be accepted and the tender will be treated as non-responsive and the tender will be rejected.
- 1.4.3. Requests for exemption from payment of E.M.D. will not be entertained in any case even though the tenderers are registered with D.G.S. & D, S.S.I. and N.S.I.C.
- 1.4.4. Payment of E.M.D. will be waived at the discretion of the Board in the case of cent percent Government undertakings of the Central or State Government such undertakings should immediately apply and obtain exemption before submitting their tenders. Exemption accorded by any Organization other than TGTRANSCO will not be considered.
- 1.4.5. The E.M.D. will be refunded to unsuccessful tenderers on application after intimation of the rejection of the tender. In the case of successful tenderer, the E.M.D. may be adjusted towards part of Performance Security.
- 1.4.6. The E.M.D. will be forfeited in the following cases:-
a) When the successful tenderer does not accept the order after issue of Purchase Order
b) When the successful tenderer fails to furnish the Performance Security within 15 days from the date of issue of Technically and Commercially Complete Purchase Order.
c) When a tenderer alters his price or withdraws his offer during the Validity period.
- 1.4.7. The fact of having enclosed the E.M.D. by Demand Draft along with the tender should be clearly superscribed on the sealed envelope.
- 1.4.8. Cases where the E.M.D. is superscribed on the cover but the Demand draft is not found within shall run the risk of being blacklisted by the TGTRANSCO.

1.5. Validity of Tender:

- 1.5.1. Tender should be kept valid and open for acceptance for a period of 90 days counting from the date of opening of the tenders as specified in the NIT. The period of validity cannot be counted from any date other than the date of opening of the tenders. The tenderers will not be permitted to withdraw or vary their offer once made within 90 days from the date of opening of the tender and if they do so, the E.M.D. will be forfeited.
- 1.5.2. The tenderer should clearly super scribe on the sealed tender envelop about the validity of tender i.e., No. of days. Any offer giving a lesser period of validity other than 90 days is liable to be returned un-opened at the discretion of the TGTRANSCO.

- 1.13.2 In the event of the specified date of the tender opening being declared a holiday for the purchaser, the tender shall be opened at the appointed time and location on the next working day or any other day as notified on the notice board at the office of Chief Engineer/ Metro-Zone/ Hyderabad.

1.14 Acceptance:

- 1.14.1 It is not binding on the TGTRANSCO to accept the lowest or any tender. The TGTRANSCO reserves the right to place orders for individual items with different tenderers and to revise the quantities at the time of placing the order and to order extra materials up to the extent of the offered quantities within the validity of the tender. The orders for the items may be split up between different tenderers to facilitate quick delivery of the materials required. The TGTRANSCO also reserves the right to accept or reject any particular tender without assigning any reasons therefore. If there is a tie in the rates quoted in between two tenders the L1 will be decided on past performance.
- 1.14.2 The TGTRANSCO reserves the right to vary the ordered quantity during the execution of the order.

1.15 Post Tender Offers:

- 1.15.1. Under no circumstances shall a tenderer alter his price or price variation formula during the validity period after tenders are opened. Any tenderer who does so resulting in recalling of tenders by TGTRANSCO shall not only lose his E.M.D. but also run the risk of being blacklisted by the TGTRANSCO which reserves the right under the law to recover damages resulting there from.

1.16 Interchangeability:

- 1.16.1 All similar materials and removable parts of similar equipment shall be interchangeable with each other. A specific confirmation of this should be furnished in the tender.

1.17 Place of location:

- 1.17.1 Particulars of site location and nearest rail heads to which the equipments/Material have to be supplied will be given to successful tenders.

1.18 Delivery :

- 1.18.1 Delivery period shall be reckoned 4 weeks from the date of issue of the purchase order. The delivery quoted shall be firm, definite, unconditional and on the basis of receipt of material at destination in good condition without any bearing on the procurement of raw materials or any similar Pre-requisites. The commencement date and date of completion of deliveries will be indicated in purchase order. The preferred delivery time which is the essence of this specification is indicated in the schedule. Final deliveries are however, subject to confirmation at the time of placing the letter of intent. Delay in delivery of materials FADS – (Free at Destination Store) due to non- availability of railway booking, non-allotment of wagons and any such reasons will not be considered. It is the responsibility of the supplier to make alternative arrangements for transporting the material by road or rail so as to see the material reaches the destination within the stipulated period. Board reserves its right to defer the delivery date at any time after orders are placed giving not less than 2 months notice without any change in the other conditions of supply. The delivery period shall be reckoned from the date of receipt of Purchase Order and the penalty for the late delivery will be levied as per clause 3 of Section-II. The delivery of the material should be completed **within 4 weeks from the date of issue of purchase order.**

1.14. Inspection :

- 1.14.1. The accredited representative of the TGTRANSCO shall have access to the supplier's or his sub-contractor's works at any time during working hours for the purpose of inspecting the materials during manufacturing of the plant and equipment and testing and may select test samples from the materials going into plant and equipment. The supplier shall provide the facilities for testing such samples at any time. As soon as the materials are ready the supplier shall duly send intimation to TGTRANSCO by Regd. post and carry out the tests before the representative of the TGTRANSCO. If the material is not kept ready at the time of inspection as informed, the performance of company for the tenders will be viewed seriously.
- 1.14.2. The dispatches shall be affected only if the test results comply with the specification.
- 1.14.3. Expenditure towards testing is to the account of supplier only.

1.19 Packing :

- 1.21.1 The packing may be in accordance with the manufacturer's standard practice unless otherwise specified. The supplier should however, ensure that the packing is such that equipments reach the destination without damages after transport by Air, Sea, Rail and/or Road.
- 1.21.2 The supplier, whenever dispatches material to a destination should prepare the following information in the form of packing slip in quadruplicate and send the same to the consignee and obtain his acknowledgement on the same. The consignee will return to supplier one copy of packing slip with his remarks. The proforma of packing slip shall be as follows:

PACKING SLIP

- a. Purchase Order No. & Date.
 - b. Quantity allotted to the stores and rate applicable.
 - c. Quantity so far supplied to the stores and the rate applied
 - d. Quantity now supplied and the rate applied
 - e. Total quantity supplied under the purchase order with rates applied.
 - f. Programme for supplying the balance quantity to the stores.
- 1.21.3 The supplier shall invariably send to the purchasing officer a copy of Delivery challan whenever materials are dispatched.

1.20 Guarantee:

- 1.22.1 The successful tender shall guarantee among other things the following:
 - a) Quantity and quality of material used
 - b) Safe electrical and mechanical stresses on all parts of the equipment, under specified condition of operation.
 - c) The material shall be guaranteed for satisfactory operation for a period of at least one year (12 months) from the date of commissioning or putting the material into use or eighteen months (18 months) from the date of receipt of stores in good condition whichever is earlier.
- 1.22.2 If during the period of guarantee, any of the materials, equipments or plant are found defective and/or fail in test or operation, such materials, equipment or plant shall be repaired or replaced by the tenderer free of cost to the TGTRANSCO irrespective of the reimbursements from the insurance company within reasonable time which shall in no circumstances be more than 15 days or such other reasonable time as the TGTRANSCO may deem proper to afford failing which the cost of the failed units will be deducted from the subsequent bills/Bank Guarantee.
- 1.22.3 The supplier shall warrant for the satisfactory functioning of the material for a minimum period of 18 months from check measurement date in Form-13 i.e., from receipt of the material at TLC Stores or at site in good condition. If during this period, if any of the material is found defective, they shall be repaired or replaced by you free of all costs to the TGTRANSCO. In the event of any correction of defects or replacement of defective material during the warranty period, the warranty for the corrected/replaced material will be extended to a further period of 12 months. To and fro freight charges shall however be to your account only.

1.22 Labeling :

- 1.23.1 Materials to be supplied shall be labeled with full details of Manufacture, capacities and other details as specified in the relevant ISS or other specification stipulated. The purchase order No. and date and year of supply and the words TGTRANSCO must be etched.

1.24 Materials & Workmanship :

1.24.1 All the materials shall be of the best class and shall be capable of satisfactory operation in the tropics under service conditions indicated in clause 1.8.1 and as detailed in the Technical requirement sheet without distortion or deterioration. No welding or plugging of defective parts shall be permitted, unless otherwise specified, they shall conform to the requirements of the appropriate Indian, British or American Standards,(Where a standard specification covering the material in question has not been published, the standards of the American Society for testing of Materials should be followed).

1.24.2 The entire design and construction shall be capable of withstanding the several stresses likely to occur in actual service and of resisting rough handling during transport.

1.25 Jurisdiction:

1.25.1 All and any disputes or differences arising out of or touching the order against this specification shall be decided only by the Courts or Tribunals situated in the geographical boundaries of the Chief Engineer/Metro-Zone/TGTRANSCO/Hyderabad. No suit or other legal proceedings shall be instituted elsewhere.

1.26. It is the sole discretion of TGTRANSCO to award the work to any bidder; mere becoming of L1 (Lowest quoted) bidder does not automatically entitle any rights on any bidder for award of contract. The TGTRANSCO reserves the right to reject any bid / bids on account of past performance in the earlier awarded works at any stage of evaluation of bids.

- 2.5.1 The Successful bidder should submit the performance security for an amount equal to 10% of the total Purchase Order Value for proper fulfillment of the contract, which will include the warranty/guarantee period, and completion of performance obligations including warranty/guarantee obligations. The performance security will cover 60 days beyond the date of completion of performance obligations including warranty/guarantee obligations.
- 2.5.2 This performance security will have to be furnished within 15 days from the date of issue of clear **purchase order** and should cover a period of 60 days beyond the warranty period. Failure to comply with this stipulation will entail canceling of the contract besides forfeiture of the EMD and cancellation of the vendor's registration.
- 2.5.3 In the event of any correction of defects or replacement of defective material during the warranty period, the warranty for the corrected/replaced material will be extended to a further period of 12 months and the performance security for proportionate value will be extended 60 days over and above the extended warranty period. The proceeds of the performance security will be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete its obligations under the contract.

- 2.5.4 It is entirely the responsibility of the successful bidder to extend the validity of this performance security to cover the period of Guarantee well before its expiry.
- 2.5.5 The performance security shall be paid by
- a) A Bankers Cheque or crossed DD or drawn in favour of Superintending Engineer / OMC/Metro-Central/TGTRANSCO/Hyd, payable at Hyderabad, drawn on any Nationalised /Scheduled Bank.
- 2.5.6 The purchaser shall discharge the performance security within 60 days of the expiry of the warranty period.
- 2.5.7 No exemption will be permitted in case of payment of performance security.

2.6 TERMS OF PAYMENT :

- 2.6.1 100% payment will be made within 45 days of issue of Form-13 i.e., check measurement date in Form-13, subject to furnishing of Performance Security for an amount equivalent to 10% of the contract value as per clause 2.5 of this order. No interest will be payable in case the payment is delayed for whatever reason.

(Or)

90% payment will be made within 45 days of issue of Form-13 i.e., check measurement date in Form-13, No interest will be payable in case the payment is delayed for whatever reason. The balance 10% payment of the contract value will be released after completion period of warranty/guarantee obligations.

- 2.8.3 The supplier should invariably submit test certificates as soon as dispatch made so that the test certificate can be checked up and approved well before it becomes due for payment.
- 2.8.4 Payment for the material supplied will be made by the paying officer and the same will be intimated in the purchase order.
- 2.8.6 If the contractor has received any over payments by mistake or if any amounts are due to the TGTRANSCO due to any other reason, when it is not possible to recover such amounts under the contract resulting out of this specification, the TGTRANSCO reserves the right to collect the same from any other amounts and/or Bank Guarantees given by the company due to or with the TGTRANSCO.
- 2.8.7 When the supplier does not at any time, fulfill his obligations in replacing/rectifying etc. of the damaged/defective materials in part or whole promptly to the satisfaction of the TGTRANSCO's Officers, The TGTRANSCO reserves the right not to accept the bills against subsequent dispatches made by the supplier and only the supplier will be responsible for any demurrages, wharf ages or damages occurring to consignment so dispatched.
- 2.8.8 Exchange commission for issue of bank draft will be to the account of supplier.
- 2.8.9 Successful bidder's EMD will be adjusted towards 10% performance security amount.

2.9 CURRENCY OF PAYMENT:

- 2.9.1 All payments will be made in Indian Rupees only.

3. PENALTY FOR DELAY IN SUPPLIES:

The time for and the dates for delivery mentioned in the contract will be deemed to be the essence of the contract. Subject to Force Majeure Clause as given at clause 5 of this tender specifications, if the Supplier fails to deliver any or all of the Materials or to perform the Services within the period(s) specified in the Contract, the Purchaser will, without prejudice to its other remedies under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to (half percent) **0.5% per week** on the undelivered portion subject to a **maximum of 5%** (five percent) of the total value of the contract. Once the maximum is reached the Purchaser may consider termination of the contract.

The check measurement date in Form-13 i.e., the date of receipt of materials at destination stores in good condition will be taken as the date of delivery. Materials / Equipment which are not of acceptable quality or are not conforming to the specification would be deemed to be not delivered. For penalty, the number of days would be rounded off to the nearest week and penalty calculated accordingly.

The penalty specified above will be levied and would be adjusted against subsequent pending bills if required.

4. RESPONSIBILITY OF THE TENDERER FOR LOSS/DAMAGE:

- 4.1. The tenderer is responsible for the safe delivery of the goods in good condition at the destination. He should acquaint himself of the conditions obtaining for handling and transport of the goods to destination and shall include and provide for security and protective packing of the goods so as to avoid damage in transit.
- 4.2. External damages or shortages that are prima-facie and as a result of rough handling in transit or due to defective packing will be intimated to the supplier within a fortnight from the receipt of the materials at destination stores. Internal defects, damages or shortages of any integral parts which cannot ordinarily be detected on a superficial visual examination though due to bad handling in transit or defective packing will be intimated within 2 months from the date of receipt of the materials in either case the defective or damaged materials should be replaced by the supplier free of cost to the TGTRANSCO. If no steps are taken within 15 days of receipt of intimation of defects or such other reasonable time as the TGTRANSCO may deem proper to afford, the TGTRANSCO may without prejudice to its other rights and remedies causing to be repaired or rectified the defective material or replace the same and recover the expenditure incurred therefore from the deposit such as Earnest Money deposit, performance security or other any other amount available with TGTRANSCO or by resorting to legal action.
- 4.3. For the purpose of any legal construction, the materials shall be deemed to pass into TGTRANSCO ownership only at the final destination where they are delivered and accepted.

5. FORCE MAJEURE:

- a) The Supplier will not be liable for forfeiture of its performance security, penalty for late delivery, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.
- b) For purposes of this clause, "Force Majeure" means an event beyond the control of the Supplier and not involving the Supplier's fault or negligence and not foreseen. Such events may include, but are not restricted to wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.
- b) If a Force Majeure situation arises, the supplier promptly notifies the Purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the Purchaser in writing, the Supplier will continue to perform its obligations under the Contract as far as is reasonably practice, and will seek all reasonable alternative means for performance not prevented by the Force Majeure event.

6. RISK PURCHASE AND BLACK LISTING:

In case of supplier who has not adhered to the delivery schedule, the TGTRANSCO reserves the right to purchase the balance quantity from the open market floating another Tender and recover the extra expenditure thus incurred from the supplier. TGTRANSCO reserves the right to black List the supplier who has not adhered to the delivery schedule. This is in addition to the rights of the TGTRANSCO mentioned in the specification.
