## SECTION - I

### GENERAL

#### **1.1. SCOPE OF WORK:**

1.1.1 This specification covers the manufacture, testing and delivery FADS (Free at destination stores) of the material as detailed in the schedule attached to the specification.

#### **1.2. FILLING UP OF SCHEDULES:**

1.2.1 All the schedules should be duly filled in but not necessarily in the form Sheets attached to the specification: Unless full details required in the Schedules are furnished, tender offers will not be considered.

#### **1.3. CLEARING OF DOUBTS:**

1.3.1. If the tenderer has any doubt about the meaning of any portion of this specification, he should at once obtain the required clarification/information in writing from the **Superintending Engineer/OMC/Metro-West/TGTRANSCO** from whom he has received the specification before 15days from the date of tender opening after which no correspondence will be entertained.

#### **1.4. EARNEST MONEY DEPOSIT:**

1.4.1. Each tender must pay an E.M.D for an amount of 2% of quoted value. This amount should be paid by way of Crossed Demand Draft on the State Bank of India or any other scheduled Bank drawn in favour of the Superintending Engineer/ OMC/ Metro-West/ TGTRANSCO/ Hyderabad payable at Hyderabad. The crossed D.D. shall compulsorily be enclosed to the tender.

1.4.2. Submission of E.M.D. by way of cheques, cash, money order, call deposit or Bank guarantee will not be accepted and will be considered as disqualification.

1.4.3. Payment of E.M.D. will be waived at the discretion of the Board in the case of cent percent Government undertakings of the Central or State Government such undertakings should immediately apply and obtain exemption before submitting their tenders. Exemption accorded by any Organization other than TGTRANSCO will not be considered.

1.4.4. The E.M.D. will be refunded to unsuccessful tenderers on application after intimation of the rejection of the tender. In the case of successful tenderer, the E.M.D. may be adjusted towards part security deposit.

1.4.5. The E.M.D. will be forfeited in the following cases: -

When the successful tenderer does not accept the order after issue of preliminary acceptance

- When the successful tenderer fails to furnish the Security Deposit within 15 days from the date of issue of preliminary acceptance letter or the letter of intent.
- When tender is disqualified for the reasons outlined in para 1.11.8.
- When a tenderer alters his price or withdraws his offer during the Validity period.

1.4.6. Tenderer has to furnish the specification of the equipment along with the tender without fail.

1.4.7. **The fact of having enclosed the E.M.D., Tender Specification cost by Demand Draft, Samples/Drawings of the product along with the tender should be clearly super scribed on the sealed envelope.**

1.4.8. Tenders which do not contain the above superscription on the sealed envelope shall be returned to the respective tenderers unopened without any consideration whatsoever.

1.4.9. Cases where the E.M.D. is super scribed on the cover but the Demand draft is not found within shall run the risk of being blacklisted by the TGTRANSCO.

**1.5. VALIDITY OF TENDER:**

1.5.1. Tender should be kept valid and open for acceptance for a period of 90 days counting from the date of opening of the tenders. The period of validity cannot be counted from any date other than the date of opening of the tenders. The tenderers will not be permitted to withdraw or vary their offer once made within 90 days from the date of opening of the tender and if they do so, the E.M.D. will be forfeited.

1.5.2. **The tenderer should clearly super scribe on the sealed tender envelop about the validity of tender i.e., Number of days.** Any offer giving a lesser period of validity other than 90 days is liable to be returned un-opened at the discretion of the TGTRANSCO.

**1.6. PAST PERFORMANCE:**

1.6.1. The tenderer should furnish full particulars regarding supplies of the materials in question made so far to TGTRANSCO and other Boards and Organizations in India. Past Performance is taken into consideration for evaluation of successful bidder.

**1.7. GST CERTIFICATE:**

1.7.1. Copies of GST Registration Certificate invariably be enclosed to the tender Specification. In the case of proprietary or partnership firm it will be necessary to produce the certificate/certificates for the proprietor or proprietors and for each of the partners as the case may be. If the certificate has already been produced by the tenderer during the calendar Year in which the tender is made, it will be sufficient, if particulars of the previous occasion are given.

**1.8 QUANTITY TO QUOTE:**

1.8.1 Suppliers would be required to quote for total Quantities of each item in full as indicated in the Specification. Offers quoting less than the prescribed quantity are liable for rejection.

**1.9 COMPLETENESS OF TENDER:**

1.9.1 The tender should be complete with all details of materials, illustrative and descriptive literature and drawings, and information regarding the Country of manufacture and origin of materials used in the manufacture of the articles. Tenders not accompanied by this information are liable for rejection.

1.9.2 The tenderer should include all minor accessories not specifically mentioned in this specification but essential for the completeness of the equipment. The tenderer shall not be eligible for any extra charges in respect of such minor accessories, even though they are not mentioned in the tender specification.

**1.10 DEVIATIONS FROM SPECIFICATION:**

1.10.1 No deviations from the terms and conditions are allowed. All tenders should strictly confirm to the conditions notified. Any tenders not strictly in conformity with the notified conditions are liable to be rejected.

**1.11 DUE DATE AND SUBMISSION OF TENDER:**

1.11.1 Tenders in duplicate each complete with all schedules and tender forms filled in together with all accompanying tender drawings, descriptive and illustrative literature also in duplicate be sent in a sealed cover kept in an outer sealed cover both addressed to the **Superintending Engineer/OMC/Metro-West/TGTRANSCO**, so as to reach him by the due date and time specified in the tender notification. The name of the Supplier/Tenderer should be clearly written both on the sealed cover and outer envelope.

1.11.2 The sealed cover as well as the outer envelope should be super scribed as follows:

- a) Registration No. of the Vender.
- b) Tender against specification No
- c) Due date and time for submission.
- d) Date and time for opening.
- e) Payment of E.M.D. and Tender Specification cost: Details of D.D. i.e., D.D. No., Date
- f) Whether 90 days validity offered YES/NO
- g) Whether the delivery is as per delivery schedule indicated YES/NO
- h) Whether the product Samples / Drawings has been enclosed/submitted YES/NO

1.11.3 Tenders not super scribed as in clause 1.11.2 are liable to be rejected.

1.11.4 The Tenderers shall invariably complete Forms IIIA, IIIB, IIIC & IIID attached to the specification and enclosed the same to the tender without fail. Tenders without these enclosures will be rejected.

1.11.5 The time of actual receipt in the tender receiving office only will count for the acceptance of the tender and the date of tender, date stamp of post Office or date stamp of any other office will not count. The TGTRANSCO will not be responsible for any postal or any transit delays.

1.11.6 Standard printed conditions attached to the tender will not be accepted. Only those mentioned in the body of the tender will be considered. Should the tenderer wish to depart from the provision of this specification, He shall list such departures in the body of the tender and submit full particulars and reasons for such departure. Unless so specifically brought out and explained the equipment/materials offered shall be considered to comply in every respect with the terms and conditions contained in the Specification.

1.11.7 Telegraphic quotations will not be entertained under any circumstances. Clarifications, amplifications, and/or any other correspondence from the tenderer subsequent to the opening of tender will not be entertained. The Tenderers are advised to ensure that their tenders are sent in complete shape at the first instance itself.

1.11.8 Post tender rebates, revisions or deviations in quoted prices and/or conditions or any such offers which will give a benefit to the tenderer over others will not only be rejected outright but the original tender itself will get disqualified on this account and the tenderer's E.M.D. will be forfeited. Conditional discounts are not acceptable.

#### **1.12 TENDER OPENING DATE:**

- 1.12.1 Tenders will be opened at the office of the **Superintending Engineer/OMC/Metro-West/TGTRANSCO** as indicated in the Tender Notice on the date and time as specified therein in the presence of such of those tenderers or their authorized representatives as may desire to be present.
- 1.12.2 In the event of the specified date of the tender opening being declared a holiday for the purchaser, the tender shall be opened at the appointed time and location on the next working day or any other day as notified on the notice board at the office of **Superintending Engineer/OMC/Metro-West/TGTRANSCO**.

#### **1.13 ACCEPTANCE:**

- 1.13.1 It is not binding on the TGTRANSCO to accept the lowest or any tender. The TGTRANSCO reserves the right to place orders for individual items with different tenderers and to revise the quantities at the time of placing the order and to order extra materials up to the extent of the offered quantities within the validity of the tender. The orders for the items may be split up between different tenderers to facilitate quick delivery of the materials required. The TGTRANSCO also reserves the right to accept or reject any particular tender without

assigning any reasons therefore. Quality as well as price is both taken into consideration for placing P.O.

1.13.2 The TGTRANSCO reserves the right to vary the ordered quantity during the execution of the order.

**1.14 POST TENDER OFFERS:**

1.14.1 Under no circumstances shall a tenderer alter his price or price variation formula during the validity period after tenders are opened. Any tenderer who does so resulting in recalling of tenders by TGTRANSCO shall not only lose his E.M.D. but also run the risk of being blacklisted by the TGTRANSCO which reserves the right under the law to recover damages resulting there from.

**1.15 INTERCHANGEABILITY:**

1.15.1 All similar materials and removable parts of similar equipment shall be interchangeable with each other. A specific confirmation of this should be furnished in the tender.

**1.16 PLACE OF LOCATION:**

1.16.1 Particulars of site location and nearest rail heads to which the equipment/Material have to be supplied will be given to successful tenders.

**1.17 DELIVERY:**

1.17.1 Delivery period of 4 weeks shall be reckoned from the date of receipt of the purchase order. The delivery quoted shall be firm, definite, unconditional and on the basis of receipt of material at destination in good condition without any bearing on the procurement of raw materials or any similar Pre-requisites. The commencement date and date of completion of deliveries shall be indicated. The preferred delivery time which is the essence of this specification is indicated in the schedule. Final deliveries are however, subject to confirmation at the time of placing the letter of intent. Delay in delivery of materials FADS – (Free at Destination Store) due to non- availability of railway booking, non-allotment of wagons and any such reasons will not be considered. It is the responsibility of the supplier to make alternative arrangements for transporting the material by road or rail so as to see the material reaches the destination within the stipulated period. Board reserves its right to defer the delivery date at any time after orders are placed giving not less than 2 months' notice without any change in the other conditions of supply. The delivery period shall be reckoned from the date of receipt of Purchase Order shall be guaranteed under penalty as in clause 2.11.

**1.18 INSPECTION:**

1.18.1 The accredited representative of the TGTRANSCO shall have access to the supplier's or his sub-contractor's works at any time during working hours for the purpose of inspecting the materials during manufacturing of the plant and equipment and testing and may select test samples from the materials going into plant and equipment. The supplier shall provide the facilities for testing such samples at any time. As soon as the materials are ready the supplier shall duly send intimation to TGTRANSCO by Regd. post and carry out the tests before the representative of the TGTRANSCO. If the material is not kept ready at the time of inspection as informed, the performance of company for the tenders will be viewed seriously.

1.18.2 The TGTRANSCO may at its option get the materials inspected by a third party if it feels necessary and all inspection charges in this connection will be borne by the supplier.

1.18.3 The dispatches shall be affected only if the test results comply with the specification.

1.18.4 Expenditure towards testing is to the account of supplier only.

## **1.19 PACKING:**

- 1.19.1 The packing may be in accordance with the manufacturer's standard practice unless otherwise specified. The supplier should however, ensure that the packing is such that equipment reach the destination without damages after transport by Air, Sea, Rail and/or Road.
- 1.19.2 The supplier, whenever dispatches material to a destination should prepare the following information in the form of packing slip in quadruplicate and send the same to the consignee and obtain his acknowledgement on the same. The consignee will return to supplier one copy of packing slip with his remarks. The proforma of packing slip shall be as follows:

### **PACKING SLIP**

1. Purchase Order No. & Date.
2. Quantity allotted to the stores and rate applicable.
3. Quantity so far supplied to the stores and the rate applied
4. Quantity now supplied and the rate applied
5. Total quantity supplied under the purchase order with rates applied.
6. Programme for supplying the balance quantity to the stores.

- 1.19.3 The supplier shall invariably send to the purchasing officer a copy of Delivery challan whenever materials are dispatched.

## **1.20 GUARANTEE:**

- 1.20.1 The successful tender shall guarantee among other things the following:
  - a) Quantity and quality of material used
  - b) The material shall be guaranteed for satisfactory operation for a period of at least one year (12 months) from the date of commissioning or putting the material into use or eighteen months (18 months) from the date of receipt of stores in good conditions whichever is earlier.
- 1.20.2 If during the period of guarantee, any of the materials, equipment or plant are found defective and/or fail in test or operation, such materials, equipment or plant shall be repaired or replaced by the tenderer free of cost to the TGTRANSCO irrespective of the reimbursements from the insurance company within reasonable time which shall in no circumstances be more than 15 days or such other reasonable time as the TGTRANSCO may deem proper to afford failing which the cost of the failed units will be deducted from the subsequent bills/Bank Guarantee.

## **1.21 INSTRUCTION BOOKLETS/OPERATION AND MAINTENANCE MANUALS:**

- 1.21.1 Manuals shall be supplied along with equipment in 6 sets. One set of reproducible drawings shall also be supplied.

## **1.22 JURISDICTION:**

- 1.22.1 All and any disputes or differences arising out of or touching the order against this specification shall be decided only by the Courts or Tribunals situated in Hyderabad/ Secunderabad Cities. No suit or other legal proceedings shall be instituted elsewhere.

## **SECTION - II**

### **FINANCIAL**

2.1

#### **PRICES:**

Firm Prices: Where prices are quoted on firm basis the quotations should be FADS (Free at destination stores) price inclusive of all other legally permissible duties and levies wherever applicable, handling charges and insurance to cover the transport by road from destination railway station to site/stores and Storage at site/stores for 30 days thereafter.

Even though composite Firm price is quoted, the break-up for all the duties Taxes, freight, insurance etc. shall be furnished.

2.1.1

It is the responsibility of the tenderer to inform him of the correct rates of duties and taxes leviable on the materials at the time of tendering.

2.1.2

If the rates of statutory levies assumed by the tenderer are less than the correct rates prevailing at the time of tendering the TGTRANSCO will not be responsible for such errors. If the rates of statutory levies assumed by the tenderer are later proved to be higher than the actual/correct rates prevailing at the time of tendering, the difference shall be passed on to the credit of the TGTRANSCO. If the rates of statutory levels assumed by the tenderer increases due to increase in turnover, the increase shall be borne by the tenderer.

2.3

#### **STATUTORY VARIATION:**

2.3.1

Any variation up or down in statutory levy or new levy introduced after opening of the tender/after placing of the order under this specification shall be to the account of the Board provided that in cases where delivery schedule is not adhered to by the tenderer and there is upward variation/revision after the agreed delivery date, the tenderer/supplier shall bear the impact of such levies and if there is downward variation/revision the TGTRANSCO shall be given credit to that extent.

2.4

#### **INSURANCE:**

2.4.1

Insurance shall be responsibility of the tenderer as FADS rates are called for. The insurance should include the transport by Road from destination Railway station to the site/stores and storage for 30 days thereafter. Where a policy is taken it should contain a provision for extension to cover further storage and erection at TGTRANSCO's cost and insurance charges shall be indicated separately. The TGTRANSCO shall have the option either to arrange for insurance or ask the tenderer to insure goods.

2.5

#### **ROYALTIES FOR PATENTS:**

2.5.1

All royalties for patents or charges for the use or infringement thereof that may be involved the construction or use of any equipment shall be included in the tendered price. The tenderer shall protect the TGTRANSCO against any and all claims arising on account of the use thereof, the TGTRANSCO agreeing to furnish the tenderer any appropriate information or assistance.

2.6

#### **SECURITY DEPOSIT:**

2.6.1

The successful tenders shall furnish within 15 days from the date of issue of the letter of intent or purchase order Security Deposit equal to 10% of the total accepted tender value for proper fulfilment of the contract, which will include the guarantee period failing which the E.M.D. will be forfeited. This will not be waived in any case under any circumstance. The name(s) and Officer(s) in whose favour the deposit is to be made out will be intimated at the time of placing orders. The amount shall be forfeited, if the successful tenderer fails to fulfil the terms of contract/order.

2.6.2 Security Deposit may be paid by crossed Demand Draft on any scheduled bank in the Headquarters of the officer in whose favour it is to be made

**2.7 TERMS OF PAYMENT:**

2.7.1 100% payment will be made within 30 days of the date of receipt of goods in good condition duly certified by the consignee or after approval of the test certificate whichever is later. No interest will be payable in case the payment is delayed for whatever reason. 10% will be released after successful completion of performance guarantee.

2.7.2 The 100% payment mentioned in clause 2.8.1 is subject to the condition that the successful tender furnishes in advance an approved Bank guarantee to the extent of 10% of the contract price covering a period of 6 months over and above the period of performance guarantee against defective supplies or 10% of the contract price by way of Demand draft drawn on any bank.

2.7.3 The supplier should invariably submit product specifications as soon as dispatch is made so that it can be checked up and approved well before it becomes due for payment.

2.7.4 The performance guarantee to be executed in accordance with the specification shall be furnished on a Stamp Paper of value of Rs.100/- . The Bank guarantee shall be extended suitably in case the equipment/material is found defective within the guarantee period. The defective portion or those of the equipment/material so replaced or renewed should give satisfactory performance till the expiry of 6 months from the date of such replacement/renewed or until the end of guarantee period whichever is later.

2.7.5 Payment for the material supplied will be made by cheques on any Schedule bank at the Headquarters of the paying officer.

2.7.6 If the contractor has received any over payments by mistake or if any amounts are due to the TGTRANSCO due to any other reason, when it is not possible to recover such amounts under the contract resulting out of this specification, the TGTRANSCO reserves the right to collect the same from any other amounts and/or Bank Guarantees given by the company due to or with the TGTRANSCO.

2.7.7 When the supplier does not at any time, fulfil his obligations in replacing/ rectifying etc. of the damaged/ defective materials in part or whole promptly to the satisfaction of the TGTRANSCO's Officers, The TGTRANSCO reserves the right not to accept the bills against subsequent dispatches made by the supplier and only the supplier will be responsible for any demurrages, wharfage's or damages occurring to consignment so dispatched.

2.7.8 Exchange commission for issue of bank draft will be to the account of supplier.

**2.8 CURRENCY OF PAYMENT:**

2.8.1 All payments will be made in Indian Rupees.

**2.9 RESPONSIBILITY OF THE TENDERER FOR LOSS/DAMAGE:**

2.9.1 The tenderer is responsible for the safe delivery of the goods in good condition at the destination. He should acquaint himself of the conditions obtaining for handling and transport of the goods to destination and shall include and provide for security and protective packing of the goods so as to avoid damage in transit.

2.9.2 External damages or shortages that are prima-facie the results of rough handling in transit or due to defective packing will be within a fortnight of the receipt of the materials. Internal defects, damages or shortages of any integral parts which cannot ordinarily be detected on a superficial visual examination though due to bad handling in transit or defective packing will

be intimated within 2 months from the date of receipt of the materials in either case the defective or damaged materials should be replaced by the supplier free of cost to the TGTRANSCO. If no steps are taken within 15 days of receipt of intimation of defects or such other reasonable time as the TGTRANSCO may deem proper to afford, the TGTRANSCO may without prejudice to its other rights and remedies causing to be repaired or rectified the defective material or replace the same and recover the expenditure incurred therefore from the deposit such as Earnest Money, Security and performance or other monies available with TGTRANSCO or by resorting to legal action.

2.9.3 For the purpose of any legal construction, the materials shall be deemed to pass into TGTRANSCO's ownership only at the final destination where they are delivered and accepted.

2.10 **PENALTY FOR LATE DELIVERY:**

2.10.1 i) General: - The time for and the dates for delivery mentioned in the purchase order shall be deemed to be the essence of the contract. In case of delay in delivery of materials at destination, whatever be the reason, the Board may at its option, demand and recover from you an amount equivalent to half percent of the value of the materials not delivered within the prescribed time limit for every week of delay or part thereof, subject to a max. of 5% of the total value of the contract. This right of the TGTRANSCO shall be without prejudice to its rights under the law including the right to cancel the contract, forfeit the deposit and/or recover damages for breach of contract.

ii) The date of receipt of materials at the destination stores in good condition (Form-13) will be taken as the date of delivery.

2.10.2 For penalty, the number of days of delay would be rounded off to the nearest week and interest calculated accordingly.

2.10.3 Materials/ equipment which are not acceptable quality or are not confirming to specification would be deemed to be not delivered.

2.10.4 The penalty specified in Clause 2.11.1 shall be levied and would be adjusted against subsequent pending bills.

2.10.5 In cases where new vendors fail to meet the requirement of the order, there would be no penalty to such vendors but they will be excluded from the next tender for the particular item of the material.

2.10.6 Any failure on the part of new vendors for a second time would cause them to be removed from the list of registered vendors.

2.11 **FORCE MAJEURE:**

2.11.1 The supplier will not be liable for delay or for failing to supply the material/equipment for reasons of 'Force Majeure' such as of God, acts of public enemy, acts of Govt. fires, floods, strikes, lockouts etc. and strikes in works manufacturers of proprietary items as specified by the TGTRANSCO.

2.11.2 The supplier shall within 10 days from the beginning of such delay notify to the TGTRANSCO in writing the cause of delay. The TGTRANSCO shall verify the facts and grant such extension of time as facts justify.

2.11.3 No price variation shall be allowed during the period of force majeure and penalty would not be levied for this period.

2.12 **RISK PURCHASE AND BLACKLISTING:**

2.12.1 In case of supplier who has not adhered to the delivery schedule, the TGTRANSCO reserves the right to purchase the balance quantity from the open market floating another Tender and recover the extra expenditure thus incurred from the supplier. TGTRANSCO reserves the right to black List the supplier who has not adhered to the delivery schedule. This is in addition to the rights of the TGTRANSCO mentioned in the specification.
