5. DETAILED SPECIFICATION

The specification provides for “**Painting of Firefighting pipes and Hose pipe boxes, etc., at 400 / 220kV Shankarpally Substation**”.

5.1 The works involved are Painting of Firefighting pipes of 400kV ICTs and 400kV Reactor and Hose pipes boxes etc., available in Firefighting rooms and switchyard at 400/220kV Shankarpally Substation with primary coat of red-oxide followed by ready mixed 1st quality synthetic enamel paint applied with brushes and spray paint wherever it is necessary as directed by the TGTRANSCO Engineer in-charge at site, including costs brushes, conveyance of all material to the site and labour charges etc., complete finished item of work.

5.2 RATE: The rates (in Indian Rupees) quoted shall be for finished item of work and firm including all costs of labour and other costs associated with the completion of work.

5.3 Bidders are advised to find out the latest tax structure, applicability and rates before quoting. Further to reduce the billing difficulties, bidders are advised to round-off the basic prices and F & I to the nearest Rupee and taxes and duties to nearest two decimal places by using ‘Round’ formula in Excel sheets.

5.4 SITE VISIT:

The bidders are advised to visit and examine the site of proposed Substation and obtain all information that may be necessary for preparing the bid such as access to site, communication, transport, leads / and availability for water, sand, metal etc., right of way, the quantity of various items of work, the availability of local labour, availability and rates of materials, local working conditions, uncertainties of weather and working seasons etc. The cost of visiting the site shall be at bidder’s own expense. Ignorance of site conditions shall not be accepted by the Purchaser as basis for any claim for compensation at a later date. The submission of a bid by the bidder will be construed as evidence that such an examination was made and later claims/disputes in this regard shall not be entertained.

5.5 It is the responsibility of the bidder to satisfy himself that sufficient quantities of materials required for the work shall exist in the borrow areas or sites. The TGTRANSCO does not accept any responsibility either in procuring the material or any other facilities in this regard. The bidder will not be entitled for any extra cost /rate or claim for the misjudgment on his part for quantity and quality of materials available in the quarries.

5.6 High Quality shall be maintained while executing the work and the contractor shall provide for any quality checks that may be stipulated by the engineer in charge.

5.7 BID SECURITY:

EMD exempted As per T.O.O (CE/Civil), Ms.No. 511, Dt. 03-01-2020.

Exemption of EMD:

- (i) Exemption of EMD shall be for the works costing upto 1.00 Crore (ECV) for SC’s/ST’s, Waddera Sagara (Uppara) contract co-operative societies and individuals for works in TGTRANSCO.
- (ii) However, in order to provide level playing field to all, EMD will be recovered from running bills after expenditure of 25% of the concerned works. This will also inculcate the responsibility for completion of the works.

5.8 PERFORMANCE SECURITY:

The successful bidder shall furnish within 15 days from the date of issue of preliminary acceptance letter or the Letter of Intent, performance security equal to FIVE PERCENT (5%) of the total accepted bid value for the proper execution and fulfillment of contract which will include the guarantee period of 12 months over and above the specified completion period. EMD to be paid will be adjusted after 25% of expenditure of the concerned work in 5% performance security as per T.O.O. CE(Civil), Ms. No. 511, Dt. 03-01-2020 i.e., 3% of quoted value shall be paid at the time of agreement and balance 2% after completion of 25% of works from running bill.

If the bidder fails to furnish the performance security as specified within 15 days from the date of issue of preliminary acceptance letter or the Letter of Intent, the contract is liable for cancellation and forfeiture of the bid security. The performance security shall also be forfeited if the successful tenderer fails to fulfill the terms of the contract.

Performance security may be made by Demand Draft from any Nationalized Bank/Scheduled Bank in the Headquarters in favour of Superintending Engineer/ OMC/Metro-West/Hyderabad

Performance Guarantee period covers a period of 12 months guarantee for satisfactory performance and also for the workmanship against faulty erection/civil/painting works for a period of 12 months from the date of handing over of site / conclusion of work including claim period of 4 months and the formal acceptance of completed work by TGTRANSCO.

5.9. ADDITIONAL SECURITY DEPOSIT:

The rate quoted by the bidder less by more than 10% of the TGTRANSCO's total estimated cost will be considered as abnormally low rate. In the case of abnormally low quoted rates i.e., less than 10%, additional security deposit (ASD) to be paid for the less percentage below 10% i.e., if the bidder quotes 20% below the total estimated cost, then he has to pay ASD equivalent to 10% of the total estimated cost. This ASD amount will not be accepted by Bank Guarantee, Cheque, Cash or money order. It shall be paid by way of crossed demand draft on any scheduled/Nationalized bank drawn in favour of Superintending Engineer/OMC/Metro-West/Hyderabad which will be released after the completion of work in full shape.

5.10 AGREEMENT:

The successful Tenderers should enter into an agreement with TGTRANSCO within 30 days of acceptance of Performance Security on Non-judicial stamped paper for the value specified by the TGTRANSCO. If the contractor does not sign the agreement within 30 days of acceptance, the contract awarded will be cancelled.

5.11 PAYMENT:

Payments will be made up to 90% of the bills for the items of works completed during a month. For this purpose, the contractor shall submit monthly bills to the Divisional Engineer/ Executive Engineer concerned regularly to ensure payments in time. The contractor shall give full details of items of works done against each location in support of the bill. Bills submitted without supporting details will not be taken into cognizance.

Out of balance 10% the 5% payment will be released after completion of all the works subject to settlement of material account. The balance 5% payment will be released along with the performance Guarantee.

Paying Officer is Superintending Engineer/OMC/Metro-West/Hyderabad.

Rates quoted shall be inclusive of all taxes. All statutory deductions will be deducted at source from the bills submitted for payment as per the relevant acts; Rules and Regulations there under at the rates prevailing at that time.

5.12 PENALTY:

The completion period committed shall be deemed to be the essence of the contract. In case of delay in completion of work, whatever be the reasons, the TGTRANSCO may at its option demand and recover from the Tenderer an amount equivalent to 0.5% of the value of the works not completed within the prescribed time limit for every week of delay or part thereof, subject to a maximum of 5% of the total value of the contract. Once the maximum is reached, TGTRANSCO shall consider termination of the contract. This right of TGTRANSCO shall be without prejudice to the rights under the law, including the right to cancel the contract, forfeit the deposit and recover damages for breach of contract.

In the event of termination of contract due to delay attributable to the contractor, TGTRANSCO is entitled to get back equipment / material from the contractor for the payment already made but the material is not put to use and then get the works done by the other agency / agencies for completion of contract by using the said recovered material. The contractor shall have no objection in the regard.

5.13 DEVIATION QUANTITIES:

The rates accepted for individual items of work covered under Schedule (Labour Portion) shall hold good upto 25% over the agreement quantities. For the quantities exceeding 25% over and above the agreement quantities, the rate payable will be TGTRANSCO estimate rate (or) accepted rates, whichever is less.

5.14 EXTENSION OF TIME FOR COMPLETION:

All additional works and variations ordered by the TGTRANSCO shall be completed within the contract time for completion of the section of the works to which they relate, unless the amount of extra or additional work of any kind whatsoever which may occur shall be such as fairly to entitle the contractor to an extension of time for completion in which case the TGTRANSCO shall determine the amount of such extension. Any extension of time so granted by the TS TRANSCO will only be given on the understanding that the extension of time completion shall not by itself the contractor to any extra payment for expenses by way of increased overheads.

5.15 SUPPLEMENTAL / NEW ITEMS:

The contractor is bound to execute all the supplemental / new items that are found essential incidental and inevitable during execution of main work. The rates for supplemental items shall be derived as per the current SSR rates during the period of execution +/- tender percentage whichever is less.
